2011

VEOLIA COLLECTS CITY RECYCABLES

The City of Cudahy contracts with Veolia Environmental Services for the collection of residential recycling. Residential recycling is picked up on the same day utilizing the single sort cart.

As a reminder residents are asked not to bundle or bag any recyclables. Simply place all of your usual recyclable items (bottles, cans, paper, and cardboard) loose in your 64-gallon gray recycling cart. Please make sure your recycling cart is not within three (3) feet of any vertical obstruction, including your garbage cart. All items (**including cardboard**) must be contained in the 64-gallon recycling cart. No items on the ground.

The following items should be placed in your recycling cart:

- **Any plastic containers marked No. 1 = 7.**
- **Aluminum Cans:** Beverage containers only. No foil food trays. No other aluminum products.
- **Tin or Bi-Metal Containers:** Food containers only. Labels do not need to be removed.
- **Glass Containers:** Jars and bottles only. No window glass, Pyrex, mirrors, light bulbs, ceramics, drinking glasses, kitchenware, or auto glass. Labels do not need to be removed.
- **Aerosol Spray Cans:** Containers must be empty with the cover removed. Labels do not need to be removed. Any empty aerosol container may be recycled (including paints, pesticides, etc.).
- **Paper and Cardboard:** Acceptable materials include junk mail, telephone books, magazines, catalogs, file folders, newspaper, notebooks, newspaper inserts, corrugated cardboard, boxboard (cereal, cake, or cookie boxes). NO contaminated cardboard (such as pizza boxes). Contaminated cardboard should be placed in your garbage cart.

FAILURE TO RECYCLE = LOSS OF REFUSE COLLECTION SERVICE

It is imperative that the DNR required levels of recycling be maintained! Therefore, City refuse collectors will periodically be checking for recyclable materials in the garbage that they collect. Garbage containing recyclable materials cannot be placed in State landfills. Therefore, failure to recycle could result in the loss of refuse collection service from the City.

COMPLAINTS AND QUESTIONS -

The City of Cudahy has their recycling contract with Veolia Environmental Services. Complaints and questions regarding the collection of recyclables should be directed to Veolia's Customer Service Center at (262) 679-0860.

If Veolia does not resolve a complaint, it should be referred to the Department of Public Works at 769-2216. Office hours are Monday—Friday 8:00 a.m to 5:00 p.m.

Help Protect Lake Michigan

*Keep hazardous waste out of our rivers and lakes
by keeping it out of the sewer system.*

| • Propane cylinders | • Radioactive wastes | • Computers |
| • Tires of any type | • Ammunition | • Refrigerators |
| • Medical wastes/Prescription drugs | • Explosives | • Washing machines |
| • Containers larger than 15 gallons | • Fireworks | • Clothes dryers |
| | | • Microwaves |

COLLECTION OF ITEMS CONTAINING REFRIGERANT

The City no longer collects or receives items that contain or have contained refrigerants. These items include but are not limited to refrigerators, dehumidifiers and air conditioners.

Refrigerant Recovery, 1125 National Avenue, Milwaukee, 643-7740 will accept these items.

ROOFING MATERIALS

The City no longer accepts roofing materials. When replacing a roof, it is best to rent a dumpster. The City requires written permission for all dumpsters that will be placed in City right of way. Call the Department of Public Works at 769-2216.

COLLECTION OF ELECTRONIC EQUIPMENT

On September 1, 2010, electronic waste was banned from landfills and has to be recycled. Electronic waste consists of but is not limited to, devices such as computers, printers, cell phones, TV's, and cameras. The City has set up a collection area for their disposal at the Drop-Off Center. Residents can drop off electronic equipment at no charge during the hours the Drop-Off Center is open. The City will not provide a curb-side pickup any longer for electronic equipment.
